Al Fayez Pack company was established with the aim of producing plastic sheets and food packaging containers. It has been actively present in the field for over 27 years with factories in Turkey, Qatar and Iran proudly manufacturing, using the best quality material. We are confident and happy to claim that we always offer the best price of the market to our customers.

Having long-term customers clearly indicates the fact that our products have no other in terms of price and quality. The products quality also will not degrade with the passage of time but we are actually improving it all the time. We welcome domestic and foreign customers from all over the world. our agents make sure that the orders are received completely and correctly and that they arrive at their destination in the best possible condition.
